

Toilet Training Support & Information Zoom Session

Thursday 11th February 2021 at 1.30pm

For parents about to start toilet training their child & parents who are finding toilet training a little more challenging than anticipated

- ❖ Ideas and information about how to support child through this stage of their development
- ❖ Opportunity to chat in a small group about toilet training – to share successes & discuss any worries or challenges
- ❖ Opportunity for one-to-one telephone consultation following participation in a Zoom group session

To find out more or to register to join a session
