Don't be shy, you will be made very welcome!!

Its competition time!

Its nearly Easter and to help the kids celebrate, St Andrews will be having an egg decorating competition in class. All materials will be supplied and the Parent Council will be providing prizes to the best designs!

The P7 hoodies arrived!

Each year, the Parent Council pay for the Primary 7 Hoodies: just a wee memento of the children's time at St.Andrews

ITS THE NEW MUGA!!

Great News!! The parent council were able to contribute to the new MUGA! It's great to see the children enjoying that bit of extra space.

Podcast Recommendation

If you are a bit bored of Netflix, or just a bit concerned about screentime, podcasts are an awesome way to keep our kids entertained.

"Short and Curly" is an entertaining ethics podcast. Each episode tackles a different question that will get everyone thinking...Previous episodes include: Do you always have to keep a secret? Should you give up your teddy bear? Do you have to love your sibling?

Covid-19 continues to make life difficult, even with our kids going back to school and vaccinations being rolled out. Everything is still far from normal. If you need help please get in touch with the St Andrews Home School Practitioner! The lovely Elaine Baur is available for advice and help. She can be contacted through the school or directly via email: E.Baur@mgfl.net or by phone 07500 125 086
